

Hannan Street Pilot Gallery and Shop

Golden Mile Art will be running a Pilot Gallery and Shop in the heart of the Kalgoorlie CBD for the period of 1st November to 10th December. We invite our members to submit their work for either the Gallery or Shop, within the following terms:

Art Gallery Submissions

- Junior and Youth Gallery artworks will be accepted from all ages and skill levels.
- Adult Gallery artworks should be of a professional exhibition/gallery standard; using archival quality materials, artist grade canvas and professional (or quality premade) framing (Kmart frames and Monte Marte canvases will not be accepted for Adult Gallery works).
- You may submit more than one piece, however, due to space limitations, we can only guarantee one piece will be on display at a time. Display works will be rotated over time and other stored works will be available for investors to view if they request.
- Artwork submission forms must be received by midnight 17th October to secure a position in the Gallery for the opening date 1st November. Further submissions may be requested pending sales.
- Sale prices should include a 20% Commission to GMA
- Find full T&C in the online submission form

Shop Consignments

- Members may submit up to five product lines, with up to 20 items in each.
 - A product line is defined by items with the same price and description eg. 20 A4 prints or 20 sets of earrings.
 - Single items may be submitted, and are considered one product line
- A completed consignment form MUST accompany all Shop Items on delivery. If you do not provide bank account details you will not be paid.
- The Shop arrangement is to be decided by the Committee and discussions will not be entered into. All items will be on display but may be placed in a stack or basket for customers to peruse.
- Should a product line sell out or run low the artist may be invited to submit more work to replace the sold items.
 - Extra submissions will only be accepted by request.
- Sale prices should include a 20% Commission to GMA.
